

Somerset Public Schools

Chace Street School

538 Chace Street
Somerset, MA 02726

Timothy Plante, Principal

February 3, 2023

Welcome to the beginning of an exciting time for you and your child.

The first step to enroll your child in our Kindergarten program this Fall, is to register him/her online. This information will help us prepare for your child and provide accurate numbers for our kindergarten classes. Once your registration is complete, your child will be placed on a list for a screening appointment. You will be receiving additional information about when and how these screenings will take place at a later time. The screening is required by Massachusetts State Law for any child entering Kindergarten and is used to help identify specific needs that may affect a child's educational progress. Information about registration and residency can be found on the Somerset Public Schools website, "somersetschools.org" by selecting "Enroll Today". This will bring you directly to the registration page. Once there, please click on the word "here" to access the program.

Once you've completed the registration process online, the office will contact you to review and finalize your registration as well as schedule the screening appointment. **Registration Deadline is Monday, April 24th, 2023.** Screening appointments will only be scheduled once the registration has been completed and approved by the school. **If, for any reason, your child WILL NOT be attending Somerset Public Schools, please notify the school office at (508) 324-3160.**

The registration process is as follows:

1. Complete online registration (including uploading of required documents shown below)
 - ❖ Birth Certificate
 - ❖ All residency documents
 - ❖ Current Physical and Immunizations
2. Schedule the screening appointment with the office.

Incoming Students who live in the Buffer Zone, will be screened in their Buffer Zone school. However, due to registration numbers, your child may not know what school they are attending until July 1st. Please see attachments for more information.

We look forward to meeting you and your child. Have a great day.

Sincerely,

Timothy Plante
