August 28, 2024,

Annual Civil Rights Training

- ❑ All employees are required to participate.
- ❑ This training protects individuals and the district, and ensures that all employees know their rights and responsibilities.
- ❑ Note: Updated Physical Restraint Policy/Manifestation Procedures

What is Non-Discrimination

- ❑ Non-discrimination is the practice of treating all people the same way in order to be fair.
- ❑ The Somerset Public Schools and Somerset Berkley Regional School District actively seek to prevent discrimination or harassment on the basis of age, sex, color, disability, national origin, religion, race, sexual orientation or gender identity.
- ❑ We are committed to ensuring that all programs and facilities are accessible to all.

Massachusetts General Law (M.G.L.)

Chapter 76, Section 5

- ❑ No person shall be excluded from or discriminated against in admission to a public school of any town, or in obtaining the advantages, privileges, and courses of study of such public school on account of race, color, sex, **gender identity**, religion, national origin, or sexual orientation.
- ❑ Severe or pervasive harassment unlawfully denies a student the “advantages and privileges” of school, creating a hostile, humiliating, intimidating, and offensive educational environment.
- ❑ **NOTE:** Effective July 1, 2012, the Legislature amended M.G.L. c. 76, § 5 to prohibit discrimination on the basis of gender identity of students who enroll in or attend public schools.

Gender Identity M.G.L. Chapter 76, Section 5

- ❑ Gender Identity is defined as a person's gender-related identity, appearance or behavior, whether or not that gender- related identity, appearance or behavior is different from that traditionally associated with the person's physiology or assigned sex at birth. (603 CMR 26.01, Acts of 2011, Session Law 199)
- ❑ Schools must respect and accommodate a student's gender identity, so long as it is a "sincerely held belief."
 - ❑ According to DESE, the student and/or parent should be given broad discretion to demonstrate the student's gender identity, including confirmation of a student's asserted gender identity by a parent, health care provider, school staff member familiar with the student, clergy member, coach or family member.

DESE Guidance to Assist in Implementing The Gender Identity Provisions of M.G.L. c. 76, § 5

- ❑ **Student Records.** A district must keep confidential a student's birth sex, name change for gender identity purposes, gender transition, and any medical or mental health treatment related to gender identity.
- ❑ **Addressing Students.** School personnel should refer to the student based on his or her chosen name. A student's teacher(s) should ensure that the class uses the proper pronoun (he or she) to refer to the student based on his or her gender identity.
- ❑ **Restrooms, Locker Rooms, and Changing Facilities.** A student must be provided access to the facilities that correspond with his or her gender identity. Students who are not comfortable using these facilities should be provided with access to a unisex bathroom or a reasonable accommodation to help the student feel comfortable.
- ❑ **Sex Segregated Classes/Activities:** In schools where there are sex-segregated classes or athletic activities, a student must be allowed to participate consistent with his or her gender identity.

Implementing The Gender Identity Provisions of M.G.L. c. 76, § 5 - Gender Identity & Bullying

- ❑ School personnel need to be cognizant of bullying against students based on gender identity.
- ❑ School officials should also remember that the parents of LGBTQ students may not be aware of their child's sexual orientation or gender identity/expression. Reports of bullying based on gender identity need to be discussed with the student and a plan should be developed for sharing information with the student's parent(s).
- ❑ Students who fear disclosure are less likely to report bullying or assist/participate in bullying investigation(s).

Massachusetts Regulations

603 CMR 26:00: Access to Equal Educational Opportunity

- ❑ DESE promulgated 603 CMR 26.00 to ensure that Massachusetts public schools do not discriminate against students on the basis of race, color, sex, gender identity, religion, national origin, or sexual orientation, and that all students have equal rights of access and equal enjoyment of the opportunities, advantages, privileges and courses of study at such schools.
- ❑ The obligation to comply with 603 CMR 26.00 is not obviated or alleviated by any local law or rule or regulation of any organization, club, athletic or other league or association that would limit the eligibility or participation of any student on the basis of race, color, sex, gender identity, religion, national origin, or sexual orientation.

603 CMR 26:07 – Active Efforts

- ❑ All public schools shall strive to prevent harassment or discrimination and all public schools shall respond promptly to such discrimination or harassment when they have knowledge of its occurrence.
- ❑ The school community and the Superintendent shall provide in-service training for all school personnel at least annually regarding the prevention of discrimination and harassment and the appropriate methods for responding to such discrimination in a school setting.
- ❑ The Superintendent shall promote and direct effective procedures for the full implementation of 603 CMR 26.00.

- ❑ The ADA applies to special education services, evaluations, Individual Education Plans (IEPs), and student discipline.
- ❑ It is the responsibility of all educators who work with a student on a 504 plan or an IEP to provide the plan's accommodations and/or modifications - this is a legal requirement.

- ❑ Title IX requires schools to adopt and publish grievance procedures for students to file complaints of sex discrimination, including complaints of sexual harassment or sexual violence.

Federal Law: Title IX of the Education Amendments of 1972

Obligation of Schools

Responsible for addressing incidents about which it knows or reasonably should have known.

School district is responsible to act, even if the misconduct is covered by an anti-bullying policy, and regardless of whether an individual has complained, asked the school to take action, or identified the harassment as a form of discrimination. The label for the incident does not determine how the school has to respond.

If reported as bullying, will be investigated under both bullying and harassment.

Federal Law: Title IX of the Education Amendments of 1972

Sexual Harassment Under Title IX vs. Bullying

- Quick review of bullying: repeated verbal, written, physical, or electronic expression or action direct against a target to scare or harass them.
- **Title IX does not need to involve repeated action-once is enough.**
- Some things will be both:
 - Mocking someone repeatedly on basis of gender- compare to recent Title VII cases such as Franchina v. City of Providence, 1st Cir., January 25, 2018
 - Generally, **homophobic comments** should be included in both Title IX and bullying investigations.

Federal Law: Title IX of the Education Amendments of 1972

- ❑ Refer to the District's Sexual Harassment Policy for specifics regarding how to file a complaint and steps that must be taken to report, investigate and remediate complaints.
- ❑ Refer all possible sexual harassment concerns to a supervisor or building principal as detailed in the District's Sexual Harassment Policy.
- ❑ Meg Ashton is the District's Title IX Coordinator.
As Title IX Coordinator, she oversees all complaints of sex discrimination and identifies and addresses any patterns or systemic problems that arise during the review of such complaints. All discrimination and/or harassment issues should be referred to the Central Office and Title IX Coordinator (508) 324-3100 ext. 3217.

Title IX: Understanding Sexual Harassment

- ❑ Sexual harassment creates a hostile environment due to inappropriate sexual speech, materials, and/or actions.
- ❑ Sexual harassment is a form of sex discrimination and includes unwelcome sexual advances, requests for sexual favors, and/or any other conduct, verbal, visual or physical, of a sexual nature.
- ❑ Sexual harassment interferes with school or work performance and creates an intimidating, humiliating, and/or offensive environment.
- ❑ Sexual harassment issues can involve student-to-student, student-to-staff, staff-to-student, or staff-to-staff behavior.

Title IX: Understanding Sexual Harassment, cont.

- ❑ Sexual harassment affects **women and men**
 - ❑ Sexual harassment may include, but is not limited to:
 - ❑ Unwelcome sexual advances or requests for sexual favors
 - ❑ Inappropriate touching; intentionally impeding movement; displaying sexually suggestive materials; verbal comments; gestures; drawn, written, or electronic communication of a sexual nature; leering or voyeurism, or intimidation based on gender or sexual preference
- ❑ Examples of prohibited activities that may create a hostile school or work environment that include:
 - ❑ Vulgar or explicit sexual-related epithets and/or abusive language;
 - ❑ Sexually explicit behavior, comments on appearance and/or indecent exposure by students or employees;
 - ❑ Sexually related graffiti, posters, or calendars.

Federal Law: Title IX of the Education Amendments of 1972

Reporting Sexual Harassment/Discrimination

- **District staff must report possible incidents of discrimination or harassment to the school principal.**
- **District staff should report incidents or complaints even if received orally.**
- Anonymous tips may be relied upon to initiate an investigation.
 - But: a school district should avoid taking disciplinary action based on an anonymous tip alone, without corroborating evidence.
- Individuals can make a complaint in writing or orally.

Federal Law: Rehabilitation Act of 1973 (Section 504)

- ❑ Provides that no qualified disabled person shall be discriminated against or be excluded from participation in an activity.
- ❑ A disability is a mental or physical impairment that limits a person's major life activities (self-care, walking, seeing, hearing, learning, breathing, speaking, thinking, concentrating, and reading).
- ❑ The ADAAA amended both the ADA and Section 504 to more broadly construe the definition of disability.
- ❑ Reasonable accommodations/modifications must be made to provide access to programs and/or facilities.

Federal Law: Section 504

- ❑ When a student has a 504 Accommodation Plan, it is the responsibility of all educators who work with that student to provide the accommodations - **this is a legal requirement.**
- ❑ Case law suggests that educators who do not provide accommodations listed in 504 plans may be **personally** liable for failing to do so.
- ❑ No discrimination against a person with a disability will be permitted in any of the programs of Somerset or the Somerset Berkley Regional School District.
- ❑ Questions about eligibility and enforcement should be directed to the building-based 504 coordinator.

Bullying and Cyber-bullying Law

M.G.L. c. 70 Sect.
370

M.G.L. c. 70 Sect. 370 Massachusetts Anti-Bullying Law

- ❑ In 2010, the Massachusetts Legislature passed a bullying and intervention law, M.G.L., c. 71, § 37 O (as added by Chapter 92 of the Acts of 2010.)
- ❑ **NOTE:** Effective, July 1, 2013, the Legislature amended the Anti-Bullying Law to include bullying by **school staff**.
- ❑ **NOTE:** Effective April 24, 2014, the Legislature amended the Anti-Bullying Law to require school districts to “recognize” in their bullying prevention and intervention plans that certain categories of students may be more vulnerable to bullying. A District must also provide, in its plan, specific steps it will take to support these individuals.
- ❑ The law requires all schools to develop and adopt bullying prevention and intervention plans. The Somerset and Somerset Berkley Bullying Prevention and Intervention Plans and related information are available on each District’s website.

Massachusetts Anti-Bullying Law: Definitions

❑ **Bullying is defined as:**

- ❑ The repeated use by one or more students, or by a member of the school staff including, but not limited to, an educator, administrator, school nurse, cafeteria worker, custodian, bus driver, athletic coach, advisor to an extracurricular activity or paraprofessional, of a written, verbal or electronic expression or a physical act or gesture or any combination thereof, directed at a victim that:
 - (i) causes physical or emotional harm to the victim or damage to the victim's property;
 - (ii) places the victim in reasonable fear of harm to himself or of damage to his property;
 - (iii) creates a hostile environment at school for the victim;
 - (iv) infringes on the rights of the victim at school; or
 - (v) materially and substantially disrupts the education process or the orderly operation of a school.

For purposes of this law, bullying includes cyber-bullying.

Massachusetts Anti-Bullying Law: Definitions

- ❑ A bully's words and/or actions intimidate, frighten, ridicule, humiliate, or cause harm to another person (based on, for example: physical appearance, lack of athletic ability, clothing, neighborhood).
- ❑ A bully has actual or perceived physical, social and/or psychological power over his/her target.
- ❑ Bullying usually involves a pattern of behavior including:
 - ❑ Physical (hitting, kicking, pushing, intimidation, damaging, defacing, or taking personal property);
 - ❑ Verbal (verbal intimidation, name-calling, ridicule, jokes, insults, threats);
 - ❑ Emotional (stalking, spreading rumors, exclusion).

Massachusetts Anti-Bullying Law: Definitions

- ❑ **Cyberbullying** is defined as bullying through the use of technology or electronic devices such as telephones, cell phones, computers, and the Internet. This does not have to happen repeatedly to be considered cyberbullying. It includes, but is not limited to, email, internet communications, instant messages, pictures/videos, posts or messages sent via messaging apps, social networking sites or fax communications.
 - ❑ Cyber-bullying shall also include (i) the creation of a web page or blog in which the creator assumes the identity of another person or (ii) the knowing impersonation of another person as the author of posted content or messages, if the creation or impersonation creates any of the conditions enumerated in clauses (i) to (v), inclusive, of the definition of bullying.
 - ❑ Cyber-bullying shall also include the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons, if the distribution or posting creates any of the conditions enumerated in clauses (i) to (v), inclusive, of the definition of bullying.

Massachusetts Anti-Bullying Law: Definitions

It's bullying IF there is repeated behavior that:

- i. Causes physical or emotional harm to the target or damage to target's property.
- ii. Places target in reasonable fear of harm to him/herself or property.
- iii. Creates a hostile environment at school for target.
- iv. Infringes on the rights of the target.
- v. Materially and substantially disrupts the education process or the orderly operation of a school.

Reasons to be Concerned About Bullying

- ❑ Many children are involved in bullying, and most are extremely concerned about it.
- ❑ Bullying can seriously affect the mental health, academic work, and physical health of children who are targeted.
- ❑ Children who bully are more likely than other children to be engaged in other antisocial, violent, or troubling behavior.
- ❑ Bullying can negatively affect children who **observe** bullying going on around them-even if they aren't targeted themselves.
- ❑ Bullying is a form of victimization or abuse, and children should be able to attend school or take part in community activities without fear of being harassed, assaulted, belittled, or excluded.

When Does Bullying Occur?

Bullying tends to happen most often in and around schools
– specifically in those areas where there is little or no adult supervision:

- ☐ Playgrounds and recess
- ☐ When waiting to go on or off the bus
- ☐ At dismissal time
- ☐ Hallways
- ☐ Cafeteria
- ☐ Classroom before the lesson begins
- ☐ Bathrooms or Locker rooms

REMINDER: Retaliation against a person who reports bullying, provides information during an investigation of bullying, or witnesses or has reliable information about bullying is prohibited.

Bullying and Harassment Myths

- ☐ Ignore it and it will go away.
- ☐ Bullying does not occur if you stand up for yourself.
- ☐ The victim did something to cause/deserve the bullying.
- ☐ Boys will be boys/girls will be girls.
- ☐ Harassment and bullying toughens you up.
- ☐ It's a part of life, accept it.
- ☐ Only wimps get bullied.
- ☐ Children who get harassed or bullied are passive, loners, overly sensitive.

Signs of Possible Bullying and Harassment

- ☐ Indicates fear of walking in the halls unsupervised.
- ☐ Shows signs of being intimidated when interacting with certain students in class, cafeteria, or halls.
- ☐ Appears fearful of walking to or from school.
- ☐ Seems withdrawn, disengaged in class.
- ☐ No longer participates in class or school-related activities.
- ☐ Is suddenly doing poorly in school.
- ☐ Increase in absences; arrives late for school or certain classes.
- ☐ Often “loses” his or her money and/or possessions.
- ☐ Is the victim of repeated thefts.
- ☐ Is the target of jokes, abuse or insults in school, chat rooms, websites, or social networking sites.
- ☐ Explanations for above do not make sense.

Parameters of the Anti-Bullying Law

- ❑ Acts of bullying, which include cyber bullying, are prohibited:
- ❑ On school grounds and property immediately adjacent to school grounds; at a school sponsored or school related activity, function, or program, whether on or off school grounds; at a school bus stop, on a school bus or other vehicle owned, leased, or used by a school district or school; or through the use of technology or an electric device owned, leased, or used by a school district.
- ❑ At a location, activity, function, or program that is not school-related through the use of technology or electronic device that is not owned, leased, or used by a school district or school, if the acts create a hostile environment at school for the target or witnesses, infringe on their rights at school, or materially and substantially disrupt the education process or the orderly operation of a school.

Anti-Bullying Law and Children With Disabilities

- ❑ M.G.L. c. 71B § 3 (as amended)
 - ❑ Whenever the evaluation of the IEP team indicates that a child has a disability that affects social skills development or that a child is vulnerable to bullying, harassment or teasing because of the child's disability, the IEP shall address the skills and proficiencies needed to avoid and respond to bullying, harassment or teasing.
 - ❑ Applies equally to students who are perpetrators of bullying.
- ❑ In addition, the U.S. Department of Education has warned that a school district's failure to properly address bullying of students with disabilities could result in a denial of a free appropriate public education (FAPE) for these students.

Somerset Public School District and Somerset Berkley Regional School District

Bullying Prevention and Intervention Plan

- ❑ The Somerset and Somerset Berkley Bullying Prevention and Intervention Plan was developed in 2010, under the auspices of the *Safe and Drug-Free Schools and Wellness Advisory Council* and it was updated by both the Somerset and Somerset-Berkley School Committees in 2017.
- ❑ The Plan indicates that, at the start of each school year, the building principal reviews the Plan as well as the Anti-Bullying Policy, and what steps to take when witnessing bullying, with all staff.
- ❑ A copy of the Plan along with plan specifics is available on each District's website.
- ❑ A report of bullying can be done by completing an incident report or anonymously through a dedicated phone number.

Somerset Public School District and Somerset Berkley Regional School District Bullying Prevention and Intervention Plan

STAFF OBLIGATION TO REPORT

- ❑ Staff members are required to immediately report to his/her building principal when s/he witnesses or becomes aware of conduct that may be bullying or retaliation.
- ❑ The requirement to report to the principal or his/her designee does not limit the authority of a staff member to respond to behavior or incidents consistent with school and district policies for student behavior/discipline.

Somerset Public School District and Somerset Berkley Regional School District Bullying Prevention and Intervention Plan

PRINCIPAL/DESIGNEE RESPONSE TO REPORTS OF BULLYING OR HARASSMENT

- ❑ Before fully investigating the allegations of bullying or retaliation, the principal/designee will take steps to assess the need to restore a sense of safety to the alleged target and/or to protect the alleged target from possible further incidents.
- ❑ The principal or designee will take additional steps to promote safety before, during and after the investigation, as necessary.
- ❑ The principal or designee will implement appropriate strategies for protecting from bullying or retaliation a student who has reported bullying or retaliation, a student who has witnessed bullying or retaliation, a student who provides information during an investigation, or a student who has reliable information about a reported act of bullying or retaliation.

Somerset Public School District and Somerset Berkley Regional School District Bullying Prevention and Intervention Plan

PRINCIPAL/DESIGNEE RESPONSE TO REPORTS OF BULLYING OR HARASSMENT

- ❑ **Notice to parents or guardians.** Upon determining that bullying or retaliation has occurred, the principal/designee will promptly notify the parents or guardians of the target and the aggressor of this, and of the procedures for responding to it.
- ❑ **Notice to Another School or District.** If the reported incident involves students from more than one school/school district, the principal/designee will promptly notify the principal/designee of the other school(s) so that they may take appropriate action.
- ❑ **Notice to Law Enforcement.** At any point after receiving a report of bullying or retaliation, including after an investigation, if the principal/designee has a reasonable basis to believe that criminal charges may be pursued against the aggressor, the principal will notify the local law enforcement agency (consult with School Resource Officer, as appropriate).

Somerset Public School District and Somerset Berkley Regional School District Bullying Prevention and Intervention Plan

- ☐ The principal/designee (or whoever is conducting the investigation) will remind all involved that retaliation is strictly prohibited and will result in disciplinary action.
- ☐ To the extent practicable, the principal/designee will maintain confidentiality during the investigative process.
- ☐ The principal or designee will maintain a written record of the investigation.

Somerset Public School District and Somerset Berkley Regional School District Bullying Prevention and Intervention Plan

NOTIFICATION and CONFIDENTIALITY

- ❑ The principal/designee will promptly notify the parents or guardians of the target and the aggressor of the results of the investigation and, if bullying or retaliation is found, what action is being taken to prevent further acts of bullying or retaliation.
- ❑ All notice to parents must comply with applicable state and federal privacy laws and regulations. **Because of legal requirements regarding confidentiality of student records, the principal/designee cannot report specific information to the target's parent or guardian about the disciplinary action taken unless it involves a "stay away" order or other directive that the target must be aware of in order to report violations.**
- ❑ The principal/designee shall inform the parent or guardian of the target about DESE's problem resolution system and the process for accessing that system, regardless of the outcome of the bullying determination.

Somerset Public School District and Somerset Berkley Regional School District Bullying Prevention and Intervention Plan

Physical Restraint Regulations

603 CMR46.00

603 CMR 46.00: Physical Restraint Regulations School Personnel Responsibilities

- ❑ All school staff should read and be familiar with the physical restraint regulations, 601 CMR 46.00.
 - Amended Physical Restraint Regulations were approved by the DESE and took effect on January 1, 2016.
 - All school staff must should read and be familiar with the new regulations.
 - A central theme of the amended regulations is that physical restraint should only be used in an emergency situation and as a last result.
 - **The amended regulations prohibit the inclusion of physical restraint in a student's IEP or behavior plan.**
- ❑ These regulations apply to all public education programs including school events and school-sponsored activities.
- ❑ Lack of knowledge of the law will not protect you or your students from the consequences of inappropriate actions.

Physical Restraint

- **Physical restraint:** "Direct physical contact that prevents or significantly restricts a student's freedom of movement. Physical restraint does not include: brief physical contact to promote student safety, providing physical guidance or prompting when teaching a skill, redirecting attention, providing comfort, or a physical escort."
 - Even if you hold a child for five (5) seconds and during that time they cannot move, that is considered a restraint and must be documented.
- **Not Physical Restraint:** "Touching or holding a student without the use of force" – including physical escort, touching to provide instructional assistance, and other forms of physical contact that do not include the use of force.

When May Physical Restraint be Necessary?

- When other, non-physical interventions have been tried and failed or are judged to be inadequate to the circumstances; as a last resort.
- When a student's behavior poses a threat of **IMMINENT, SERIOUS, PHYSICAL HARM** to self and/or others and the student is not responsive to other lawful and less intrusive behavior interventions.

Physical Restraint: Understanding the Terms

- **Physical escort:** Temporary touching or holding, without use of force, of the hand, wrist, arm, shoulder, or back for the purpose of inducing a student who is agitated to walk to a safe location.
- **Extended restraint :** The amended regulations do not include a definition of an extended restraint, however, under the new regulations approval by a principal or designee will be required to continue a restraint beyond 20 minutes.

Under the amended regulations, all physical restraint must end as soon as the student is no longer an immediate danger to himself or others.

Physical Restraint: Understanding the Terms

□ Time-out and Seclusion:

- **Time-out:** A behavioral support strategy in which a student temporarily separates from the learning activity or classroom, either by choice or by direction from staff, for the purpose of calming. During time-out, student must be in a clean, safe, sanitary and appropriate space, and continuously observed by a staff member. Includes inclusionary and exclusionary time-out.
- **Inclusionary time-out:** when a student is removed from positive reinforcement or full participation in classroom activities while remaining in the classroom. Functions as a behavior support strategy while allowing student to remain aware of the activities of the classroom.
- **Exclusionary time-out:** separation of student from the rest of the class either through complete visual separation or from actual physical separation. During an exclusionary time-out, the student must be continuously observed by a staff member, and a staff member must be with or immediately available to the student. Exclusionary time-out must cease as soon as the student has calmed down.
 - **Should only be used when students are displaying behaviors which present, or potentially present, an unsafe or overly disruptive situation in the classroom.**
- **Seclusion:** the involuntary confinement of a student alone in a room or area from which the student is physically prevented from leaving. Both elements of the definition establish seclusion.
 - **Use of seclusion is prohibited in Massachusetts.**

Use of Physical Restraint

- ❑ Only staff trained in physical intervention should administer physical restraints.
- ❑ Only the amount of force necessary to protect the student and others from physical harm or injury should be used.
- ❑ When possible, the administration of a restraint shall be witnessed by an adult who does not participate in the hold.
- ❑ The training requirements in 603 CMR 46.00 **shall not preclude** a teacher, employee, or agent of a school from using reasonable force to protect students, other persons, or themselves from assault or imminent, serious, physical harm.
- ❑ When physical restraint is necessary, the safest method available and appropriate to the situation and the individual should be used.

Use of Physical Restraint, cont.

- Floor or prone holds are prohibited unless staff administering these holds have received in-depth training (16 hours minimum) in such procedures.
- Prone restraints are **prohibited** unless the following criteria are met:
 - Student has documented history of repeatedly causing serious injury to self or others;
 - All other forms of restraint have been unsuccessful in ensuring safety;
 - There is no medical contraindications as documented by a licensed physician;
 - There is psychological or behavioral justification for the use of prone restraint and there are no psychological or behavioral contraindications, as documented by a licensed mental health professional;
 - The program has obtained consent from the parent to use prone restraint in an emergency, and the consent has been approved in writing by the principal; and
 - All of the above has been documented by the school **in advance** of the use of prone restraint.
- Other forms of physical restraint, including supine restraint, remain permissible in emergency situations as long as those participating in the restraint have received the required training.

Use of Physical Restraint, cont.

- In addition to prone restraint, mechanical restraint, medication restraint (currently referred to as chemical restraint), and seclusion are prohibited.
- Do **not** use physical restraint:
 - When non-physical interventions could be used to de-escalate the situation or problem solving strategies could be implemented.
 - As a means of punishment or as “treatment.”
 - As a response to property destruction, school disruption, refusal to comply, or verbal threats.
 - If you have not been properly trained.

Physical Restraint: Safety Requirements

- ❑ A student's color and respiration during a hold must be monitored.
 - If there is any change in student's pallor, respiration, speech, or other signs of physiological distress, the hold must be released immediately.
 - If student experiences physical distress – release restraint and seek medical assistance immediately.
- ❑ Physical restraint should be implemented as a last resort and to prevent or minimize physical harm.
- ❑ **KNOW YOUR STUDENTS:**
 - Be aware of medical or psychological issues and attempt to implement behavior interventions before considering utilization of physical restraint.
 - When a situation occurs where a student is demonstrating potentially harmful behaviors, seek assistance immediately.

Physical Restraint: Safety Requirements, cont.

- **Communicate** during a crisis. State what type of assistance you need.
- **Post communication information in your classroom** so that someone can contact help quickly.
- Try to **ensure a witness** is present during any crisis.
- **Document** the occurrence of each instance of aggression and/or use of physical restraint. [603 CMR 26.06(4) for specific requirements]. **There is no time limit...if restrain a student for 15 seconds, that must be documented**
- Under the regulations there are strict reporting and documentation requirements. Additionally, where previously only serious restraint-related injuries had to be reported to DESE, effective 1/1/16, **ANY** injuries resulting from a physical restraint must be reported. In these instances, the school or program must send a copy of the written report required by 603 CMR 26.06(4), and a copy of the principal's physical restraint log for the 30 day period preceding the reported injury/restraint.

Follow-up Procedures After a Physical Restraint

- ❑ Review incident with student (and parents if necessary) to address behavior. [\[Ask: How can we avoid this happening again?\]](#)
- ❑ Those staff members involved in the situation must debrief with an administrator regarding the situation.
- ❑ Consider follow-up that may be necessary with students who may have witnessed the restraint.

Reporting Requirements (603 CMR 46.06)

- ❑ **When to Report/Document:** Report/document all restraints.
- ❑ **Notify School Administration:** Verbally notify school administration of any physical restraint as soon as possible, and provide written report by the next school working day. **This is the same for all restraints.**
- ❑ **Notify Parents:** The principal or director of the program must notify the parent verbally as soon as possible, and by written report within three school working days. **This is the same for all restraints.**
- ❑ **NOTIFY DESE :** Report all physical restraints to the DESE. Physical restraints causing injury must be reported within 3 school working days. All other data shall be collected and reported annually in a manner and form directed by DESE.

For Your Information For Selected Staff: In-Depth Physical Restraint Training

In-Depth Physical Restraint Training Components

- Prevention techniques, relationship building and use of alternatives
- Identifying dangerous behaviors
- Experience in restraining and being restrained (simulated experience)
- Demonstration of learned skills
- Recommended that such training be at least 16 hours in length

In addition, training must also include:

- Instruction regarding documentation and reporting requirements and investigations of injuries and complaints
- Instruction regarding the impact of physical restraint on the student and family, recognizing the act of restraint has impact, including but not limited to psychological, physiological, and social- emotional effects.

Training is IMPORTANT Because

- ❑ A safe school environment is better able to promote effective teaching and learning
- ❑ Preparing appropriate responses to potentially dangerous circumstances help to eliminate or minimize negative consequences

NOTE: This presentation does not substitute for a careful reading of the full regulatory requirements or the District's restraint prevention policy and procedures, and is not a substitute for the required annual

IDEA: Individuals With Disabilities Education Act

- ❑ The IDEA entitles eligible students to an individualized program of specially designed instruction and/or related services that are reasonably calculated to provide an educational benefit in the least restrictive setting consistent with that goal.
- ❑ Students Eligible for IDEA Services
 - A student with a disability who, because of the disability requires specially designed instruction and/or related services to progress effectively in the general curriculum.

Individualized Education Programs (IEPs)

- ❑ An IEP is an annual written statement of:
 - The student's current strengths and weaknesses
 - Summary of key evaluations
 - Annual goals for the student
 - Description of the special education services, accommodations and placement necessary to enable the student to progress toward identified goals and to make effective progress in the general curriculum
 - **The IEP is an enforceable contract**

 - Participate in the development and review of the IEP and 504 Plans
 - Participate in the review of evaluations
 - Be knowledgeable about, and prepared to describe, the student's ability to progress in the general curriculum
 - Teachers must be prepared to provide objective data and documentation to support conclusions and recommendations
 - Be candid in assessing skills and future progress
 - Do not make judgments or offer opinions that are outside your field of expertise

Discipline and Students with Disabilities

- ❑ All students are entitled to a level of due process prior to being excluded from school.
- ❑ Students with disabilities are entitled to additional protections prior to the imposition of a disciplinary sanction that will remove them from school for more than 10 days in a year.

Students with Disabilities:

- ❑ Students with IEPs
- ❑ Student with 504 plans
- ❑ Any student whom the District had reason to know, prior to the incident giving rise to the disciplinary action, might be eligible for special education.

Discipline and Students with Disabilities, cont.

Additional Procedural Protections:

- ❑ “Manifestation determination” prior to any removal constituting a change in placement.
- ❑ Where appropriate, development of a Functional Behavioral Assessment (FBA) plan or review of existing Behavior Intervention/Support Plan.
- ❑ Continued provision of services (FAPE) as of the 11th cumulative day of removal.

Manifestation Determination

- ❑ Was the conduct giving rise to disciplinary action caused by or directly and substantially related to the child's disability?
- ❑ Was the conduct giving rise to the disciplinary action the direct result of the schools' failure to implement the IEP?

If Behavior is NOT a Manifestation:

- ❑ May impose sanctions applicable to all students.
- ❑ Team considers whether it would be appropriate to conduct a functional behavioral assessment.
- ❑ Provide FAPE for students on IEPs as of day 11 of removal.
- ❑ **NOTE:** Effective July 2014, all students are entitled to academic services when removed from school for an extended period of time. This includes students on 504 plans and general education students.

Manifestation Determination

If Behavior IS a Manifestation:

- ❑ Team requests a functional behavioral assessment (new assessment or an update to an old assessment) and/or develops/revises existing behavior intervention plan.
- ❑ Child returns to school prior to the 11th day, unless the conduct meets criteria for a unilateral removal or the school district obtains either:
 - ❑ Parental consent to change placement;
 - ❑ A Hearing Officer's order; or
 - ❑ A temporary restraining order (TRO).

RELATED REMINDER: LAW ON STUDENT DISCIPLINE

- ❑ Chapter 222 of the Acts of 2012
 - ❑ Signed into law August 2012; effective July 1, 2014.

 - Limits exclusion of a student to 90 school days in a single school year.
 - Effectively eliminates the ability to expel students for non-37H or 37H^{1/2} offenses.
 - Requires that district notify DESE of all suspensions and exclusions.

Restraining Orders and Harassment Prevention Orders

- ❑ At times a member of the school community will be made aware that a restraining order or harassment prevention order is in place restricting certain individuals from having access to a student in the district or between two students.
- ❑ Anyone notified of a restraining order or harassment prevention order must alert the building principal immediately. The building principal will alert the necessary staff as well as the Superintendent and Director of Special Education of the order and any specific conditions or safety plans that must be followed/put into place to ensure that the order is adhered to.
- ❑ In instances of student to student “stay away” orders, the building principal or designee will ensure that both students are aware of their responsibility to stay away from each other.
- ❑ Staff will be alerted to the removal of the order if and when it is lifted.

Students who are either
Homeless or in Foster Care**

McKinney-Vento Homeless Education Assistance Act

"All Children who are Homeless must have full and equal opportunity to succeed in school and receive educational services."

McKinney-Vento Homeless Education Assistance Act

Federal law requires school districts to immediately enroll homeless students, even if they do not have the documents usually required for enrollment, such as school records, medical records or proof of residency.

- ❑ Homeless students have a right to remain in their school of origin or to attend school where they are temporarily residing;
- ❑ Students who choose to remain in their school of origin have the right to remain there until the end of the school year in which they get permanent housing;
- ❑ Students who choose to enroll in school where they are temporarily residing must be enrolled immediately, even if they do not bring the records usually required for enrollment with them; and
- ❑ If a homeless student arrives without records, the school district's designated Homeless Education Liaison must assist the family and contact the previously attended school system to obtain the required records.

McKinney-Vento Homeless Education Assistance Act, cont.

- ❑ The Act defines homeless children and youth as:
 - ❑ Individuals who lack a fixed, regular, and adequate nighttime residence; and

- ❑ This group was is now included under Title I, Part A (Title I). As a result, children awaiting foster care placements are entitled to the same educational stability as children in foster care.
- ❑ In addition, amendments to Title I require SEAs and LEAs to work with child welfare agencies to ensure the educational stability of children in foster care (and awaiting foster care). These provisions emphasize the importance of collaboration and joint decision making between child welfare agencies and educational agencies.
- ❑ ESSA also amended McKinney-Vento to clarify and correct the definition of “school of origin” (see next slide). The new definition is effective October 1, 2016, but it is recommended that no student be denied this right during the short period of time between the start of the school year and October 1.

McKinney-Vento Homeless Education Assistance Act, cont.

- ❑ A **fixed residence** is one that is stationary, permanent, and not subject to change.
- ❑ A **regular residence** is one which is used on a regular (i.e., nightly) basis.
- ❑ An **adequate residence** is one that is sufficient for meeting both the physical and psychological needs typically met in home environments.
- ❑ Children and youth who lack a fixed, regular, and adequate residence will be considered **homeless**.
- ❑ **Enroll and enrollment** shall mean attending classes and participating fully in school activities.
- ❑ **School of origin** shall mean the school the child or youth attended when permanently housed, or the school in which the child or youth was last enrolled, including a preschool.
