

To Whom It May Concern;

Fisher Bus Inc. has implemented the following in accordance with guidelines from DESE to help prevent the spread of COVID-19.

1. Everyone on the vehicle must have a mask on all the time.
2. Social Distance assigned seating has been implemented on all vehicles, with accompanying seating charts.
3. Windows on the vehicles are open (weather permitting) during operation.
4. Drivers wipe down all high touch areas after each route with a CDC approved solution.
5. Once daily, bus/ van is swept, all horizontal surfaces are wiped down with CDC approved solution, walls, seats and windows are spot cleaned.
6. Once daily, buses are mopped and sprayed with a CDC approved solution to sanitize them.
7. Drivers turn in cleaning checklists to the office as evidence of their cleaning efforts. They are also periodically monitored by the safety compliance coordinator.
8. Hand sanitizer has been distributed in all vehicles. Drivers and students are encouraged to use it regularly.
9. Drivers are following pick up & drop off procedures set by each school.

Question or concerns regarding our COVID procedures should be addressed to Operations Manager, Ryan Fisher.

Regards,
